

Remembrance is a golden chain Death tries to break, but all in vain. To have, to love and then to part is the greatest sorrow of one's heart. The years may wipe out many things, but some they wipe out never. Like memories of those happy time when we were all together.

Death leaves a heartache that no one can heal, but love leaves a memory that no one can steal.

Someone to remember me

.. a song dedicated to the loss of loved ones

I hope you see as you look down
All of this love gathered around
I hope you hear what people say
I hope you know the role you play
You were my rock
You were my shield
This space you leave
No-one can fill
You held the room
You cast a spell
You'll always be remembered well.

And when my days have come and gone
I hope I leave more right than wrong
I want to feel this love I see
When I am gone I hope there'll be someone to remember me

Though you're not here
Not here with me
A part of you will always be
I'll hear your laughter
I'll see your smile
I'll feel you near, once in a while

And when my days have come gone
I hope I leave more right than wrong
I want to feel this love I see
When I am gone I hope there'll be someone to remember me

And when the days have come and gone
I hope I'll leave more right than wrong
I want to feel this love I see
When I am gone I hope there'll be some to remember
Someone to remember me
